## MEMORANDUM

TO: Ptl. Michael Grzenia  
Department of Public Safety

FROM: D. F. Adams, Chief of Police  
Department of Public Safety

DATE: January 8<sup>th</sup>, 2008

SUBJECT: **COMMENDATION DPS CASE # 011474**

On January 5<sup>th</sup>, 2008 while assigned to St. Philips College and going about your duties you came across a suspicious vehicle parked behind the Mission Planning Mill adjacent to SPC's Lot #1.

Upon investigating you discovered a male who was the driver of the vehicle with two young children in the car. Further investigation revealed that the two young children had been "abducted" from their mother by the male driver just twenty minutes earlier and that the San Antonio Police Department was searching for the vehicle, driver and the two children. The male was subsequently taken into custody by SAPD and the children were returned to their mother unhurt.

You are to be commended for your attention to duty and initiative. As a result two children who were abducted from their mother were safely reunited with her and the abductor was taken into custody.

Keep up the good work.
