MEMORANDUM

TO: Cpl. Jessica Cervantes
Pt. Byrne Jacobson
Patrol Division – A Shift

FROM: D. F. Adams, Chief of Police
Department of Public Safety

DATE: June 24th, 2008

SUBJECT: **LETTER OF COMMENDATION – ACCD DPS CASES 013543 & 013544**

On June 17th, 2008 Cpl. J. Cervantes responded to the campus bookstore at San Antonio College to investigate a theft. Upon arrival Cpl. Cervantes conducted a preliminary investigation and was able to develop suspect information. Cpl. Cervantes had a radio broadcast of the suspect description made.

Ptl. B. Jacobson began checking the area and located a subject matching the description of the suspect and detained her. This subject was carrying a back pack containing numerous books and other items. Cpl. Cervantes responded to the scene where the subject was being detained and identified the subject as the actor who had stolen over \$1,300.00 in books and property belonging to the bookstore and a San Antonio College student who had also reported a theft of personal property during the same time period from the book store.

I want to thank and commend both of you for your service and team work. As a result several theft cases were solved, a full recovery of the stolen property was made and returned to the rightful owners and the person responsible for the thefts was identified and charged on behalf of the complainants.

Keep up the good work.
