Chief – I wanted to tell you that we really, really appreciate the service by Ralph Rodriguez over here at the WETC. He knows who belongs here and who doesn't, he notices everything, is very thoughtful about his "policing" and besides, he is just a nice guy. He always keeps us well informed, and once he is given a special request (like check the bathrooms regularly for graffiti), he never waivers. We appreciate him, and hope you don't move him somewhere else!

Second, I can always count on Officer Zabik who checks on us in the evenings. I'm sure you know he is really serious about his job, and we also appreciate him very much.

It has been wonderful having their assistance.

Jobie
