**MEMORANDUM**

TO: Ptl. John Zabik  
Department of Public Safety

FROM: D. F. Adams, Chief of Police  
Department of Public Safety

DATE: September 18<sup>th</sup>, 2008

SUBJECT: **COMMENDATION / DPS CASE # 014298**

On 09-11-08 at 8:30 p.m. a community member using a computer in the Library at St. Philips College reported to DPS that a male subject had forcefully taken her purse from her. You were dispatched to the call. Upon arrival and after conferring with the community member you began a search of the area while your backup officer obtained a description of the suspect in the case which he relayed to you by radio. You recognized the description as matching that of a subject you had observed earlier on campus.

You searched for the suspect and were able to locate him nearby as he was leaving the area. You took the suspect into custody and had him returned him to the scene where he was positively identified by the community member and a witness as the individual responsible for taking the community member's purse. On behalf of the community member the suspect was arrested, processed and incarcerated in the Bexar County Jail on a charge of Robbery.

You are to be commended for your attention to detail and duty. As a result an offense committed against a member of the community was cleared with the offender being apprehended and incarcerated.

Keep up the good work.
