Department of Public Safety

DATE: October 11<sup>th</sup>, 2006

SUBJECT: **LETTER OF COMMENDATION**

In the early morning hours of October 1<sup>st</sup>, 2006 both of you were at the scene of a major accident which occurred at Gevers St. and Martin Luther King Dr. near the St. Philips College campus.

While assisting the motorists involved and awaiting the arrival of the San Antonio Police Department who had jurisdiction over the accident, you were informed that one of the drivers involved produced a gun, which he pointed and had attempted to fire at the other driver immediately after the accident had occurred. The gun did not fire for some unknown reason.

Using proper police procedure, the driver reported to you with the gun was taken into custody and the gun was recovered in a grassy area a short distance from his vehicle. The arrested subject and the recovered gun were subsequently turned over to the San Antonio Police Department.

Each of you is to be commended for your attention to duty, alertness and use of proper police procedure. As a result, an individual who presented a danger to the public by producing a gun and attempting to shoot another person with it was taken into custody safely and the weapon used was recovered.

Keep up the good work.
