Attached is a letter of appreciation sent to me by Ms. Toni Mullins who is an adjunct faculty member at Northwest Vista College.

In her letter Ms. Mullins expresses her appreciation for the assistance and kindness extended to her by each of you recently when she "misplaced" her car.

I too wish to thank both of you for a job well done. As a result of your actions, each of you has brought favorable recognition upon yourselves and the Department of Public Safety.

Keep up the good work.

Dear Chief Adams,

I'm a new adjunct faculty member at NVC, and a few weeks ago I . . . well, I misplaced my car. When I approached Officer Zabik to tell him that my car was gone, he was very kind and reassured me that my elderly soccer-mom-van had probably not been stolen. God love him, he didn't even laugh. Instead, he solicitously seated me at a bench while he called Officer Perez to drive me around the parking lots. Officer Perez, too, was very polite and considerate as he patiently drove me around and around looking for my car – which we did eventually find, just as Officer Zabik said we would.

A week or so later, I saw Officer Zabik again in the cafeteria where I was grading papers and waiting for class to start. He recognized me, greeted me in a friendly manner, and he asked how my classes were going and if I was settling into the semester well. He gave me a card with a number to call in case I ever wanted an escort to my car. I was surprised and pleased to find him so outgoing; it was really nice.

I taught at SAC for seven years; during all that time, I don't think a police officer ever even made eye contact with me. Please commend Officer Zabik and Officer Perez for their kindness. People like these gentlemen make NVC a wonderful place to work.

Sincerely,

A handwritten signature in cursive script that reads "Toni Mullins".
