

C.2.1 (Policy) Safety

Responsible Department: Vice Chancellor for Finance and Administration, College
District Police Department

Board Adoption: 8-18-09

Last Board Action: 8-18-09

Safety Program

The College District shall develop, implement, and promote a comprehensive safety program. The safety program shall be designed to:

1. Minimize the possibility of accidents and injuries;
2. Prepare for effective, efficient response to emergencies and any potential threats;
3. Prohibit smoking in accordance with Policy [C.1.6](#);
4. Provide for appropriate fire escapes and evacuation procedures for each building;
5. Address vehicle and traffic safety;
6. Establish safe work rules and train employees in safe work practices; and
7. Establish safety rules for instructional and other programs.

Emergency Response Program

The College District shall develop an Emergency Response Program that can be implemented on short notice and to ensure optimum safety for students and employees.
