**CHECK LIST:** You must enclose all of the following with this application:

- A high school transcript.
- Complete the FAFSA (Free Application for Federal Student Aid). **Need is not a requirement**, but we want to make sure you take advantage of all sources of financial assistance.
- Write a personal statement of 200 to 500 words. This is your opportunity to show us your zest, your passion for learning. See below for instructions.

**PERSONAL STATEMENT:**

“I’m breaking free, breaking out, and breaking into the future.”

Whether you are into music (R&B, Rap, Country, or Rock), dressing cool, or just **being** cool, your senior year in high school makes you think about your future more than you have needed to before. Write a thoughtful composition about how you are going to break into the future. Have fun with this! You can write about your interests, something you want to change in your life, in education, or in the business world. Would the world be better if things were done “your way?” Your composition should be between 200 and 500 words. It should be about YOU and how you will break into the future. Please write your composition on separate paper.
