

ALAMO
COLLEGES

MEMORANDUM

TO: The Alamo Colleges Family
FROM: Dr. Bruce H. Leslie, Chancellor
DATE: June 4, 2009
SUBJECT: **Retirement of Dr. Kris Clark**

On Wednesday afternoon, Dr. Kris Clark tendered her resignation, effective August 31st, in order to retire with her husband to spend more time together as they deal with his illness.

Kris has done a marvelous job this past year, as well as during her years as Executive Vice President at San Antonio College. She will be missed. I especially have appreciated her style, commitment, professionalism, and dedication to the employees and students of the Alamo Colleges. Under her tenure, she has completed a number of important academic projects and set the stage for improved student success.

Please join me in thanking Dr. Clark and wishing the Clarks well in their retirement.
