The Texas Administrative Code has developed the Dual Credit program for high school juniors and seniors. Exceptions may be made for students who have demonstrated outstanding academic performance and capability (as evidenced by grade-point average and assessment indicators).

Grades for Dual Credit course(s) become part of the student's permanent academic record at the college. Dual Credit grades may affect college admissions, scholarship, or financial aid eligibility.

Courses available to sophomores include:

- Pre-Calculus/Analytic Geometry
- Spanish III
- Business Computer Applications
- Introduction to Computers and Information Systems
- Introduction to Multimedia

See requirements for each course on page 2

Students may enroll in one course in the fall and one course in the spring.
