

New to Distance Learning?

If you are a student and taking a distance learning class, you may want to visit the Online Orientation tutorials at <http://www.alamo.edu/pac/htm/Current/OnlineOrientation/>. This informative website will give you information on internet classes, telecourses, utilizing Blackboard and PALS.

PALS COURSE HOMEPAGE

Click on the "My Courses" tab to view your online classes

Review "Course Tools" to view all important class information

Need more information on your internet class?

Instructors are using PALS to post information regarding their classes. Internet orientations, websites, and access to Blackboard are accessible via PALS. To receive your course material, please follow these steps:

1. Log into PALS at <http://pacportal.alamo.edu/>.
2. Click on the "My Courses" tab. Your semester classes will appear.
3. Click on the link for the class. The link will lead you to class information posted by the instructor OR into the Blackboard introduction page for your course.
