

2008 Parking Plan

for San Antonio College Students, Faculty & Staff

— Effective January 2008 —

Parking Facts:

New Parking Garage: The new 5-story Parking Garage opened in January 2008 and is available to students, faculty, staff, and administrators who have a valid ACCD parking permit. There is no additional cost.

Other On-Campus Parking: The other parking lots on campus have been restored to the same designations as they had prior to the construction. Parking spaces for guest parking were added to Lot 13 (east of Fletcher Administration Center) and will be metered.

Off-Campus Parking: San Antonio College students, faculty and staff can continue to park in the lots on Main St., the Atomix Lot, the San Pedro Playhouse Lot, and the Dewey St. Lot between Main and McCullough. (However, the VIA bus shuttle has been discontinued, and parking will no longer be available at the Tri-point, Alamo Stadium, White Rabbit, Josephine Theatre, or Finesilver lots. Also, metered parking at the San Pedro Library is reserved **only** for patrons of the library, not for SAC students, faculty or staff, so please comply with this parking policy.)

San Antonio College is an EOE.
