VII. Course requirements and grade computation.

A. College Requirements:

A written, comprehensive final examination, not to exceed two and one-half hours in length, shall be given at the end of each semester for each course at the regularly scheduled time. Any exceptions to these requirements must be approved by the appropriate dean. Other examinations are given at the discretion of the instructor.

A student who must be absent from a final examination should petition that instructor for permission to postpone the examination. **A student absent without permission from a final examination is graded “F.”** Postponed examinations result in a grade of “I.” The final exam must be taken within 120 calendar days from the end of the semester or the grade automatically becomes an “F.” (San Antonio College Bulletin, Faculty Handbook - January 1995)

B. Departmental Requirement:

C. Instructor Requirements:

Grading:

Mid-term and Final exams at 20% each.....	40%
Individual and small group work.....	20%
Large group and class project work.....	20%
<u>Participation and Professionalism.....</u>	<u>20%</u>
Course Grade	100%

Exams:

Both exams will be multiple choice, matching, short answer and problem-solving. You will be given a study sheet and SOME time will be given in class for a review for each exam.

Makeups:

Make-up exams will be given to those students who communicate to the instructor BEFORE the exam that there is a conflict or illness. Make-ups will be given at the next class meeting after the scheduled date or up to 2 days later.

Projects:

There will be a number of individual, small group and large group projects. Together they count for 40% of the course grade so treat them that way. All projects must be completed **BEFORE** the start of the class period they are due or 10 points **PER DAY** will be taken off the project day for each day they are late **UP TO 2 DAYS** total. After that you will receive an F for that project.

Attendance and Participation:

You must be present to play! So absences, arriving late, and leaving early will mean points off the participation grade: 4 points per class session or half of that for coming to class late or leaving early. These count for 20% of the course grade and are evaluated on what to contribute towards moving the class and each class member towards their goals.

SOLVE ALL PROBLEMS EARLY—DON'T WAIT UNTIL IT'S TOO LATE.
