

BLENDING COURSE SCHEDULE

Try A Blended Course To See If Online Courses Are For You

- 1) Blended Courses are classes in which at least 20% or 25% of the course is being offered face to face and 75% or 80% in an online setting. Blended courses include elements of traditional teaching methods with online teaching components:

• Lectures • Discussions • Group work • In-person activities

- 2) Blended Courses ARE RECOMMENDED to students who have a flexible work schedule, or the ability to attend on-campus classes.
- 3) SAC Online STUDENTS ARE REQUIRED to complete the following online modules prior to taking their first online course at San Antonio College. The READI Self-assessment & Orientation to Blackboard & PALS Online Modules. Go to: alamo.edu/sac/online/isc and follow instructions. If you have already taken the READI, submit your results to each Online Course instructor that you are enrolled with.
- 4) A student taking Blended Course(s) is responsible for accessing their course(s) by going to: alamo.edu/sac/online/courses. Select the correct semester (Fall, Spring etc.) and search course name and number and click on course link. Each instructor will have specific instructions on how to begin their Blended Course.
- 5) Students taking Blended Course(s) are encouraged to visit the Internet Skills Center, located in the Moody Learning Center (MLC), Room 400B to receive instruction on Blended Courses.

- 6) SAC Online Students automatically get a PALS email account when they register. Students ARE REQUIRED to activate this email account for SAC Online course(s). Go to: <http://sacportal.alamo.edu> to activate.

PALS & Blackboard Vista Tech Support

Call the Alamo Community Colleges' Help Desk at (210) 485-0555.

- Mon. - Fri.: 7:30am - 12:00am
- Sat.: 8:00am - 5:00pm
- Sun.: 12:00 pm (noon) - 12:00am (midnight)
- 24/7 assistance 1-866-493-3947 (for Blackboard Vista issues only).

Technical support related to software or hardware problems can contact the SAC IT Helpdesk at (210) 486-0777 or (210) 486-0778 (Mon. - Fri.: 8:00 am - 5:00 pm).

Recommended Hardware/Software Requirements

- a) PC system with a Pentium III (three) or higher processor, A 92k dialup modem or faster modem, Windows 2000, XP or Vista operating system, 256MB of RAM, 2GB of free disk space.
- b) Latest internet browser version.
- c) Access to the web through a local Internet Service Provider (ISP).
- d) Students who access the Internet through AOL Browser may experience many technical difficulties.
- e) There may be other software/hardware requirements particular to each course. Students are STRONGLY ENCOURAGED to check their course site for additional information and other requirements.
