

## Justification for Lack of Favorable Action

It is the belief of this committee member (s) that the request for funding from the Student Activity Fee should not be recommended at this time for the following reason(s)

- The activity lack significant merit
- The number of students impacted is too small
- The activity commands a disproportionately large share of the funds available
- The activity is substantially supported through other funds
- The activity should be supported through other funds
- The activity does not qualify as supporting student life
- The activity does not comply with campus policies
- The activity does not return significant value to the SAC Community
- The activity does not return value to the SAC community in proportion to the funding level requested
- Funds are not available
- The request was incomplete and additional information is needed
- The educational value is disproportionately small to the advocacy level o the activity
