### ADDITIONAL INFORMATION

#### IMMUNIZATIONS:

All students accepted into an Allied Health program at St. Philip’s College must present evidence of having met the following immunization requirements BEFORE the student will be allowed to begin any clinical assignment:

- Tetanus/Diphtheria Toxoid (DT) – boosters within the last ten years
- Measles/Mumps/Rubella (MMR) – immunization within last ten years or evidence from primary care physician you have had the diseases. Immune status required if unsure of having any of these diseases
- Mantoux test (TB) – within last two years. If result is positive, student must obtain chest x-ray.
- Hepatitis A – both immunizations. If 10+ years, booster shot or proof of immune status must be provided.
- Hepatitis B series – all three shots in series of three immunizations. If complete series taken, proof of immune status must be demonstrated. If 10+ years old, booster shot or proof of immune status must be provided.
- Varicella (chicken pox) – both immunization shots or evidence from primary care physician you have had the disease.

#### DRUG SCREENING & BACKGROUND CHECK:

All students accepted into an Allied Health program at St. Philip’s College will be required to complete drug testing and background check. Students will be responsible for all costs associated with this process. Details regarding this process will be provided by Allied Health personnel.

Enrollment into the Allied Health programs by students with felony convictions could result in denial of licensure or certification. These students would not be eligible for admission into the program until a declaratory order process is completed with the licensure or certification board and proof of eligibility for licensure or certification is provided.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C & 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.
